The Fire Department is responsible for fire emergencies and fire safety. The Fire Department is entirely volunteer, consisting of 35 fire fighters that respond to a fire an emergency any hour of the day or night. This department also consists of medicatechnicians and paramedics who have advanced first aid or crash injury management certifications. Because of the volunteer status of this department, they have no regulousiness hours. For emergencies, call 911. For business calls, dial 544-2860 and lead a message on the answering machine. The Fire Chief, Assistant Fire Chief, Fire Captains and fire fighters are housed here. The Fire Station is located at 175 South Main. Phone (801) 544-2860.

SMOKE DETECTORS

The primary goal of the Kaysville City Fire Department is to save lives. We are convinced that smoke detectors are the single most important appliance in the home Having at least one properly placed, regularly tested and maintained, smoke detecto on each level of the home cuts the chance of dying in half if you have a fire in your home.

Smoke detectors are reliable for ten years and then they should be replaced. The Kaysville Fire Department will test, change batteries, and install your smoke detect free of charge. Call 544-2860 to schedule a test.

SMALL FIRES

If you experience a small fire in your home, call the Fire Department and have then respond, even if the fire has already been distinguished. Insurance companies may 1 pay for damage caused by a fire if a report has not been filed with the Fire Department.

HOUSE NUMBERS

Painting your house number on your curb is a good idea, however, an even better ic is to make sure that your house number is clearly visible on the front of your home.

During the winter months, when snow covers the roadways, it is difficult to see a number painted on the curb. A number on the front of the house where it is easily so could provide a quicker emergency response time.

STREET PARKING

Kaysville City does not allow the parking of trailers, RV's or boats on city streets. Extended parking of these types of vehicles creates many hazards and is unsightly. Please be a courteous neighbor and a responsible citizen and park these on your ow property. Trailers, RV's and boats parked on city streets will either be impounded or given a citation.

OVERNIGHT PARKING RESTRICTIONS

Overnight parking of vehicles is not allowed from November 1 to March 1 between 12:00-6:00 a.m. Any vehicle parked on the streets during that time will be issued a citation regardless of whether or not it snows.

HOUSE NUMBERS

House numbers are extremely beneficial in shortening response time for emergency

vehicles. A well placed, highly visible, identifying house number can shorten the til required to find the proper residence in case of an emergency. Numbers placed on curbs are often obliterated by snow in the winter. Therefore, in order to properly protect yourself and your property, place your house number where it can easily be seen.

Summit County * Community Center * Henefer

Henefer is a quiet farming community on the banks of the Weber River. In 1823, General Ashley traveled through the area along the Weber, named for a member of his party, Captain John G. Weber (WEE-ber). The town of Henefer was first settled in 1859 by James and Williams Hennefer. Pioneer families raised grain and grazed cattle. Their homes were made of adobe brick, packed mud floors, dirt roofs and windows with barred shutters for protection from Native Americans. The Daughters of Utah Pioneers (DUP) cabin can be seen by appointment.

Henefer Town sponsors an annual July 4th Celebration with fun for all ages. Henefer remains a thriving community on the Mormon Trail. It still maintains its work together hosting an old time Fourth of July celebration, youth rodeo and a Homecoming Winter Basketball tournament. Like all communities in Summit County, they have a growing residential area amid the farms in the town.
